

West LA Clothing Room

Moves on Out

Business for the West LA Clothing Room has been slow lately, so we're moving on. Clothing items will now be handled at Voluntary Service at Downtown and Sepulveda

Available inpatient emergency clothing needs will be supplied to the ER, or by request . Please allow transit time from our two other sites.

Voluntary Service will no longer accept donated materials at the West LA site. Please donate your clean clothing items to either the Downtown or Sepulveda sites, or a charitable organization near you. Questions? Voluntary Service (310)268-4350
